A proposed settlement has been reached in a class action lawsuit known as *Callen et al. v. Mercedes-Benz USA, LLC et al.*, Case No. 1:19-cv-01411-TWT (N.D. Ga.). That lawsuit claimed that Burl Walnut Trim in Model Year 2010 to 2016 212 E-Class Mercedes-Benz vehicles fades, discolors, and grows cloudy over time. Defendants deny any wrongdoing. The Settlement resolves the case and provides benefits to Settlement Class Members. **This notice is a summary. For more information, visit www.burlwalnutwoodtrimsettlement.com.**

WHO IS INCLUDED: All current and former owners and lessees of 2010 to 2016 212 E-Class Mercedes-Benz vehicles purchased or leased in the U.S. and originally equipped with Burl Walnut or Burred Walnut interior trim (collectively, “Burl Walnut Trim”).

SETTLEMENT BENEFITS: The Settlement provides two types of benefits: reimbursement for Qualified Past Repairs and coverage for Qualified Future Repairs relating to discoloration, fading, or a cloudy appearance of the Burl Walnut Trim (the “Trim Changes”). The amount of reimbursement and coverage depends on how many years have passed since the vehicle’s In-Service Date. Coverage is up to 15 years. You do not need to file a claim to seek a Qualified Future Repair. However, if your vehicle has experienced unrepai red Trim Changes, you should file a claim now if you wish to preserve the percentage of coverage applicable to a Qualified Future Repair. If you already paid for a qualifying repair, you must file a claim to be reimbursed for your out-of-pocket expenses. Details are at www.burlwalnutwoodtrimsettlement.com.

YOUR OPTIONS: You can exclude yourself (“opt out”), object to the Settlement, file a claim, or do nothing. The deadline to opt out or object is **September 19, 2022**. If you do not opt out, and the Court approves the Settlement, you will release your claims against Defendants. The Court will hold a hearing on **November 7, 2022**, to decide whether to approve the Settlement. You may attend.
